

# Lisbon Macro Workshop

## Call for Papers

Lisbon, September 2-3, 2022

We will be hosting an in-person macro workshop in Lisbon on September 2-3, 2022, and invite submissions. We are particularly interested in papers aimed at understanding firm behavior and its relevance for macro questions, but any macro paper will be considered.

The conference will run from the morning of Friday, September 2, to lunchtime on Saturday, September 3, and will be hosted by Católica Lisbon School of Business & Economics.

Papers can be submitted until **April 15**, and decisions will be communicated by May 15. Please make submissions to [lisbonmacro@gmail.com](mailto:lisbonmacro@gmail.com) and indicate whether you would be interested in participating as a discussant if your paper can't be accommodated in the program.

Participants will need to cover their own travel and accommodation, and there will be a registration fee of approximately €80 to cover meals and catering during the conference.

If you have any questions, feel free to contact us at the above email address. We look forward to seeing you in Lisbon!
