## WORK EXPERIENCE

**Brigham and Women's Hospital, Cardiovascular Department** Boston, MA  
Statistical Consultant Mar 2019-Present

- Conducting statistical analysis and interpretation on multiple cardiovascular genetics papers related to the international SHaRE Data Registry for hypertrophic cardiomyopathy patients

**Social Entrepreneurship to Spur Health** Guangzhou, China  
Co-Founder & Director of Strategy June 2015-Present

- Founded and registered a health development start-up focused on public health, patient-physician trust, and crowdsourcing
- Co-led a randomized controlled trial evaluating a video intervention among high-risk populations in China (details here: <https://clinicaltrials.gov/ct2/show/NCT02248558>).

**Bridgewater Associates** Westport, CT  
Management Associate Intern June-Aug 2018

- Evaluated investment processes for portfolio construction and improving client engagement
- Developed strategies for creating a sustainable talent recruitment pipeline

**BP plc** Beijing, China  
Econometrics Intern March-July 2017

- Conducted industrial energy demand analysis on coal, oil, and natural gas in Chinese for the BP Statistical Review of World Energy 2017 and BP Energy Outlook 2018

**Wasserman Media Group** New York, NY  
Golf Consultant May-Aug 2015

- Developed a novel proprietary method using 10MM datapoints for quantifying PGA TOUR event marketability

**International Diagnostics Centre** London, UK  
Research Fellow May-Aug 2014

- Co-wrote an awarded NIH R01 grant, "Spurring Innovation on HIV Testing and Linkage: A Crowdsourcing Approach"
- Designed and executed a non-inferiority randomized controlled trial to examine HIV testing behavior among key populations in China

## LEADERSHIP

**Harvard Biostatistics Diversity, Inclusion, and Equity Committee** Boston, MA  
PhD Student Representative Aug 2020 - Present

- Developing qualitative focus groups and quantitative surveys to better understand how the Harvard Biostatistics Department can become more diverse, inclusive, and equitable
- Spearheading a new mentorship program connecting underrepresented minorities with alumni mentors

**Harvard Biostatistics Mental Health Working Group** Boston, MA  
PhD Student Representative Aug 2020 - Present

- Leading programs to facilitate department community-building at a distance during the COVID-19 pandemic

**Harvard Graduate Asian Baptist Student Koinonia** Cambridge, MA  
President Aug 2019-Present

- Organizing Bible study outreach and fellowship for Harvard and Boston-area graduate students

**Harvard Graduate Student Council** Cambridge, MA  
Biostatistics Representative Sep 2018-Present

- Evaluating funding proposals for GSAS conferences and activities

**Carolina Collective Initiative** Chapel Hill, NC  
Organizing Committee, Judging Committee May - Aug 2020

- Organizing an open call and judging creative ideas for the reopening of UNC campus in the

COVID-19 era

**Cambridge Judge Business School Teaching Committee**

Cambridge, UK

MPhil Student Representative

Jan-June 2018

- Assessed student and professor feedback for courses at Cambridge Judge Business School and developed a guidance for improving research programs

**Tsinghua Graduate Student Union**

Beijing, China

Representative

Sep 2016-July 2017

- Translated over 300 museum exhibit labels from Chinese into English for the Tsinghua University Art Museum
- Voice-over for Xinhua Net's explanatory video of China's Two Sessions political conference

**Journal of Schwarzman College**

Beijing, China

Co-Founder, Editor

Sep 2016-July 2017

- Established Schwarzman College's first journal aggregating global perspectives on China
- Developed a framework for a quarterly print and online publication for future classes

TEACHING

**BST 238 Advanced Topics in Clinical Trials, Teaching Fellow**

Spring 2021

- Designing content and teaching select lectures for the Harvard Biostatistics Department's advanced topics in clinical trials course, with a focus modern study designs; surrogate end-points; interim analyses; group sequential methods; subgroup analyses; meta-analyses; and semi-supervised inference (class size: 20)

**BST 214 Principles of Clinical Trials, Teaching Fellow**

Spring 2020, 2021

- Head TF for the Harvard Biostatistics Department's clinical trials course for individuals interested in the scientific, policy, and management aspects of clinical trials (class size: 70)

**BST 222 Statistical Inference, Teaching Fellow**

Fall 2020, 2019

- Developing content for and teaching labs for the Harvard Biostatistics Department's masters-level statistical inference course (class size: 70)

**HNRS 396 Instructor**

Spring 2016

- One of eight undergraduates selected to build the curriculum and teach a course, titled "The Re-emergence of Infectious Diseases: From Cholera to Ebola and Beyond" (class size: 10)

**GLBL 394 TA**

Spring 2015, 2016

- One of 15 students who led a weekly seminar-style recitation section of 300 undergraduates on international relations (recitation size: 20)

## SKILLS

### Languages & Software

- Native fluency in English and Mandarin Chinese
- R, SAS, Python (NetworkX), MatLab

### Athletic Activities

- Former top-ranked junior golf player in the US; American Junior Golf Association All-Star
- Completed a US Army Special Forces Selections and Assessment training course
