To Whom It May Concern:

This is to recognize that Mr. Getnet Demil has been working with the Bahir Dar American Corner as Technology Support staff for more than one and half years, he used his excellent training facilitation and technological skills to effectively deliver impactful sessions for young people in and around Bahir Dar.

Getnet has effective communication skills and developed a set of skills to deliver mentoring sessions using several technology platforms and tools. He has facilitated and conducted multiple STEAM-related programs for the youth that make use of the Corner's Makerspace. Through his time with Bahir Dar American Corner, Getnet has demonstrated his outstanding interpersonal communications, stakeholder management and event/meeting coordination skills.

Getnet has a strong passion in technology and has been doing an excellent job in providing tech assistance and support in a professional capacity. I believe he will continue progressing in his career and would like to recommend him for any possible future opportunities.

Sincerely,

Stewart Davis

Assistant Cultural Affairs Officer
