Professional work experience

Dec 2019 – Date	Research Associate, Freie University, Berlin
May 2022 – June 2022	Project Manager, Data Science for Social Good, Carnegie Mellon University, Pittsburgh Worked with fellows and partners on data science projects. Partners include Allegheny County, Vibrant Emotional Health and the Baltimore Department of Housing and Community Development.
October 2017 – Nov 2018	Research Project Manager, American University DC, Project Location: Lagos The research includes geocoding almost 700 marketplaces in Lagos; interviews with officials of 40 mini tax stations; led baseline and end-line researchers to covering 4,000 vendors and two separate interventions including a carrot and stick/informational experiment
Jan 2017 – June 2017	Research Consultant, DFID-PERL, Abuja Provided strategic insights into how citizens, constituencies, constituency representatives, and government officials use ICT and social media in the Southwest region using design research
June 2017 – September 2017	Research Consultant, Bill and Melinda Gates Foundation, Abuja Lead scheduling and field research on key radio houses, political decision-makers and key constituents using radio to influence public policy in Lagos with methods in design research and ethnography.
Dec 2015 – May 2016	Program Associate, Bridge International Academies, Lagos Provided project management support to the Development/Construction Team by ensuring that all project elements are aligned and tracked against required timelines and costs. The team built about 10 schools in a record time of less than a year.

- July 2015 – Nov 2015 **Research Associate, Bridge International Academies, Lagos**
 Conducted field research and scoping studies that provided critical insights into the establishment of about 10 schools in a year. I analyzed data from the rest of the company on the socioeconomic conditions and the competitive landscapes of private pre-primary and primary education in Lagos. This aided the provision of quality education to low-income earners in Nigeria.
- Jan 2014 – June 2015 **Research Associate, International Institute for Local Development, Abuja**
 In collaboration with the project team, I coordinated, designed and analyzed baseline and impact evaluation surveys in 4 states for result-based monitoring and evaluation of 72million World Bank Project on Rural Access and Mobility Project (RAMP) in Nigeria rehabilitating 470km road. The aim was to increase road access to 600,000 rural indigenes in 5 years.
 Coordinated the Warajiji Microcredit scheme of the IILD which provides interest-free loans to 155 disadvantaged rural women in Waru and Karamajiji communities in Abuja, Nigeria. (featured in the Editorial of Guardian Newspaper as a successful model that the Federal Government can adopt
