EDUCATION

Old Dominion University – Perry Honors College; Norfolk, VA

Degree: Bachelor of Science (BS) in Computer Science

May 24

GPA: 3.93

Dean's List: Fall 2020, Spring 2021, Spring 2022, Fall 2022

Relevant Courses: Software Engineering, Computational Methods & Software, Introduction to Probability and Statistics, Data Structures and Algorithms, Object-Oriented Programming and Design, Introduction to Discrete Structures, Introduction to Linear Algebra, Calculus II, Introduction to Computer Architecture II, Problem Solving and Programming II

EXPERIENCE

ODU - NASA@MyLibrary - *Educational Program Coordinator*

Oct 21 – June 23

- Collaborated with peers to create STEM educational programs for library audiences
- Coordinated with libraries across the United States to create library events and curate them to meet their needs
- Educated library audiences via ZOOM on topics like the James Webb Space Telescope, Python programming language, and what a computer science degree entails

ODU - INNOVATE Cyber Challenge - *Experiential Learning Opportunity*

Jan 23 – April 23

- Utilized design thinking to create a cyber hygiene prototype
- Collaborated with peers for three months to create and sell a product idea
- Presented final prototype via ZOOM to panel of cybersecurity and computer science university faculty, cyber and computing industry professionals, and university administrators

ODU - Research Experience for Undergraduates (REU); Norfolk, VA

Jun 22 – Aug 22

- Worked full-time alongside PhD professor and graduate assistants on disinformation detection and analytics research funded by the National Science Foundation
- Developed a data set to test on COVID-19 scientific claim verification models
- Networked across university faculty department personnel

Harris Teeter – *Personal Shopper*; Greenville, NC

May 21 – Apr 22

- Organized groceries carefully to keep products in great condition
- Maintained positive relationships with each store department by being consistently professional and friendly
- Satisfied customers with quick, accurate service under tight deadlines

LEADERSHIP

ODU - VP of Assoc. for Computing Machinery's Council on Women in Computing

Aug 22 – Present

- Assist ODU ACMW coordinators with event planning and increasing student engagement on campus
- Record meeting and events notes for future reference

HONORS

Old Dominion University Presidential Scholarship

Spring 2020

Richard T. and Nancy P. Cheng Award in Computer Science

Summer 2022

Cranmer-Skinner Honors Scholarship

Summer 2023

SKILLS

Technical: C++ (Intermediate), Java (Intermediate), Unix (Intermediate), Python (Beginner)

Adobe Photoshop and Lightroom (Advanced)

Language: Intermediate Conversational and Written Spanish
