Purba Das

BYRNE RESEARCH ASSISTANT PROFESSOR, UNIVERSITY OF MICHIGAN

Department of Mathematics, University of Michigan.

□ (+44) 7721722387 | ■ purbadas@umich.edu | ★ https://daspurba.github.io/ | □

Date of birth: May 13, 1995. Citizenship: Indian. Languages: Bengali (Native), English, Hindi.

Professional activity _____

Aug 2022-Present **Byrne Research Assistant Professor**, University of Michigan, Ann arbor.

Academic history _____

2018-2022	Dphil in Mathematics , University of Oxford
	PhD thesis, Roughness properties of paths and signals, Advisor: Prof. Rama Cont.
2016-2018	Masters, Applications of Mathematics, Chennai Mathematical Institute (CMI), India.
	Masters thesis, On completely mixed stochastic games, Advisor: Prof. T Parthasarathy.
2012 2016	Undergraduate , Honours in Mathematics and Computer Science. Chennai Mathematical Institute
2013-2016	(CMI), India.

Publications and preprints _____

Pathwise Dubins-Schwarz theorem

Purba DAS Working paper 2022

Estimating the roughness of a signal

RAMA CONT AND PURBA DAS

Working paper 2022

Rough volatility: fact or artefact?

RAMA CONT AND PURBA DAS 2022

Functions with quadratic variation along refining partitions

RAMA CONT AND PURBA DAS 2021

Journal of Mathematical Analysis and Applications

Pathwise quadratic variation and quadratic roughness

RAMA CONT AND PURBA DAS 2020

Bernoulli 29(1): 496-522 (February 2023). DOI: 10.3150/22-BEJ1466

On Completely Mixed Stochastic Games

Purba Das, T. Parthasarathy, G. Ravindran.

Operations Research Forum volume 3, Article number: 57 (2022)

Understanding Sea Ice Melting via Functional Data Analysis

Purba Das, Ananya Lahiri, Sourish Das 2018

Current Science, Volume 115, Issue 5, Pages 920–929.

Talks and poster presentations _____

Sep 2022	Contributed talk, Financial matematics seminer, University of Michigan	Ann Arbor,USA
June 2022	Contributed talk, Oxford-ETH Workshop on Mathematical & Computational Finance	Zurich
June 2022	Contributed talk, 11th world congress of the bachelier finance society	Online
May, 2022	Contributed talk , 15th Berlin-Oxford Young Researchers Meeting on Applied Stochastic Analysis	Berlin, Germany
May, 2022	Invited talk, Dynamic systems / stochastics seminer, Free University, Berlin	Berlin, Germany
April, 2022	Invited talk, IRTG Graduate Student Seminar, Technische Universität Berlin	Berlin, Germany
Apr, 2022	Invited talk, Mathematical finance seminar, Imperial college London	London, UK

Invited talk, Mathematical finance seminar, University of Michigan	Michigan, USA
Contributed talk, Mathematical and computational finance internal seminar	Oxford, UK
Contributed talk, Junior female researchers in probability	Berlin, Germany
Contributed talk, 6th Berlin Workshop for Young Researchers on Mathematical Finance	Online
Contributed talk, Bernoulli-IMS 10th World Congress in Probability and Statistics	Online
Contributed talk, Young Researcher's Session, Statistical Methods in Finance 2021	Online
Contributed talk, Bachelier Colloquiums, Mathematical Finance and stochastic calculus	Metabief, France
Poster presentation, LMS Research School on Probability	Bath, UK
Contributed Talk, Oxford-ETH Workshop on Mathematical Finance.	Oxford, UK
Invited Talk, Internal Seminar at Indian statistical Institute.	Chennai, India
Research seminar talk, Chennai Mathematical Institute (CIM), India.	Chennai, India
Invited talk, Research seminar, Indian Institute of Technology, India.	Chennai, India
Poster presentation , International conference on statistics.	Hydrabad, India
Contributed talk, Workshop on Linear Complementarity and Generalisations.	ISI Chennai, India
	Contributed talk, Mathematical and computational finance internal seminar Contributed talk, Junior female researchers in probability Contributed talk, 6th Berlin Workshop for Young Researchers on Mathematical Finance Contributed talk, Bernoulli-IMS 10th World Congress in Probability and Statistics Contributed talk, Young Researcher's Session, Statistical Methods in Finance 2021 Contributed talk, Bachelier Colloquiums, Mathematical Finance and stochastic calculus Poster presentation, LMS Research School on Probability Contributed Talk, Oxford-ETH Workshop on Mathematical Finance. Invited Talk, Internal Seminar at Indian statistical Institute. Research seminar talk, Chennai Mathematical Institute (CIM), India. Invited talk, Research seminar, Indian Institute of Technology, India. Poster presentation, International conference on statistics.

Teaching _____

Winter 2023	Primary instructor: MATH 526- Discrete stochastic process , Depertment of mathematics, Umiversity of Michigan.
	Primary instructor: MATH 423- Mathematics of Finance , Depertment of mathematics, Umiversity of Michigan.
HT 2022	Teaching Assistance: Integration , Queens college, University of Oxford.
MT 2021	Tutor: Probability, measure and martingale, Mathematical Institute, University of Oxford.
TT 2021	$\textbf{Tutor: Continuous Martingales and Stochastic Calculus}, \ \textbf{Mansfield College, University of Oxford}.$
HT 2021	Tutor: Continuous martingale and Stochastic calculus , Mathematical Institute, University of Oxford.
HT 2021	Tutor: Optimisation , Mathematical Institute, University of Oxford.
HT 2021	Tutor: Stochastic calculus , Mathematical Institute, University of Oxford.
MT 2020	Tutor: Probability- Measure and Martingales , Mathematical Institute, University of Oxford.
HT 2020	Teaching Assistance: Optimisation , Mathematical Institute, University of Oxford.
HT 2020	Teaching Assistance: Continuous martingale and stochastic calculus , Mathematical Institute, University of Oxford.
MT 2019	Teaching Assistance: Stochastic Differential Equations , Mathematical Institute, University of Oxford.
MT 2019	$\textbf{Teaching Assistance: Probability, Measure and Martingales}, \ \ \textbf{Mathematical Institute, University of Oxford.}$
HT 2019	Teaching Assistance: Continuous Optimisations , Mathematical Institute, University of Oxford.
2018	Teaching Assistance: Game Theory , Chennai Mathematical Institute.
2017	Teaching Assistance: Regression and Classification , Chennai Mathematical Institute, India.
2016	Teaching Assistance: Optimisation techniques , Chennai Mathematical Institute, India.
2016	Teaching Assistance: Financial Risk Management , Chennai Mathematical Institute, India.

Reading and research projects _____

	May-July 2016	On Completely mixed Stochastic Games, Summer internship at Chennai Mathematical Institute.	I. Parthasarathy
	May-July 2016	Functional Data analysis, Summer internship at Chennai Mathematical Institute.	Sourish Das
	May-July 2015	Bimatrix Games, Summer internship at Chennai Mathematical Institute.	T. Parthasarathy
	Dec 2014	Characteristic function and moment generating function, Winter internship at at Indian	Prof. Krishanu
	Dec 2014	statistical Institute.	Maulik
	June-July 2014	Introduction on Markov chain and Poisson process , Summer internship at Chennai Mathematical Institute.	Nandini Karnan
N /	May Juno 2014	014 Graph algorithms . Summer internship at Indian statistical Institute.	Krishnendu
IV	May-Julie 2014	Graph argorithms, Summer internsing at mulan statistical institute.	Mukopadhayaya
	Dec 2013	Introduction of graph theory and graph algorithms , Winter internship at Indian statistical	Krishnendu
	DEC 2013	Institute.	Mukopadhayaya

Scholarships _____

2018-2022	Mathematical Institute Studentship at University of Oxford , A full waiver of the tuition fees and
2016-2022	monthly fellowship towards living cost
2016-2018	Postgraduate studentship at Chennai Mathematical Institute, India, A full waiver of the tuition
2010-2018	fees and monthly fellowship towards living cost
2013-1016	$\textbf{Undergraduate studentship at Chennai Mathematical Institute, India}, \ A \ full \ waiver \ of \ the$
2013-1016	tuition fees and monthly fellowship towards living cost

Awards and other activities _____

July 2022	Research visit at Warsaw school of economics, Hosted by Rafał Łochowski
Apr-May 2022	Research visit at Freie Universität Berlin, Hosted by Nicholas Perkowski
Jun 2021	Best student paper at Statistical Methods in Finance 2021.
2020-2021	Organising committee for Mathematrix
2020-2021	Organising committee for Women's coffee
March 2018	First Prize for the best poster at 'Tata Consultancy Services (TCS) Poster Competition'.
Dec 2017	Honourable mention for the poster presentation at International conference on statistic.
2016	Organising committee for Annual Fest in Chennai Mathematical Institute

Computer skills:

Programming Languages: C, C++, Java, Python, R.

Packages: LaTex, Matlab, Scilab.
